

magnum

Super

The **magnum Super** hand dryer is for those people who want fast, automatic drying of hands. When your hands are placed in the drying area, the quiet yet powerful motor starts. When your hands are removed, the dryer stops. A 1.5mm steel front is fitted to reduce the risk of vandalism.

Three fronts are available, White powder coated, brushed stainless and 'mirror finish' stainless.

Being only 140mm deep it is ideal for areas where room is at a premium.

Look at the following outstanding features on the **magnum Super**

Vandal resistant steel front

Infra-red sensor for hygienic no touch operation

Economic, switching off when your hands are removed.

Super slim design, ideal where space is a problem

White epoxy, grained or 'mirror finish' stainless options available.

Two year guarantee

Quiet, efficient operation

Comforms to European standards.
