

Valera®

Handy

The **Valera Handy** dryer is automatic hand dryer suitable for areas of light use but where the use of paper towels become uneconomic . When your hands are placed in the drying area, the quiet yet powerful motor starts. When your hands are removed, the dryer stops. The high impact ABS front is pleasing to the eye.

Two fronts are available, white or silver.

Being only 100mm deep it is ideal for areas where room is at a premium.

Look at the following outstanding features on the **Handy** dryer:

Tough ABS front

Infra-red sensor for hygienic no touch operation

Economic, switching off when your hands are removed.

Super slim design, ideal where space is a problem

White or Silver finish to fit in with most decors.

Long Life ac heavy duty motor.

One year guarantee

Quiet, efficient operation

Comforms to European standards.
